DEPARTMENT OF SCHOOL EDUCATION AND LITERACY**

PERFORMANCE GRADING INDEX FOR DISTRICTS

(PGI-D)

Combined report for 2018-19 & 2019-20

Sl. No.	Content	Page No.
1	Introduction	4
2	Data source	4-5
3	Methodology	5-7
4	Summary of PGI-D	7-8
5	Category/ Domain wise PGI district score card	8-11
6	Annexure-1: District wise score for all the 6 categories of PGI-D for 2019-20	12-31
7	Annexure-2: District wise score for all the 6 categories of PGI-D for 2018-19	32-49
8	Annexure-3: List of Indicators along with points used for PGI-D 2018-19 and 2019-20	50-54
9	Annexure-4: Rank correlation and p values of class wise / subject wise proficiency - NAS 2017	55

DISCLAIMER

Though all the efforts have been made to ensure the accuracy of the content on this report, the same should not be construed as a statement of law or used for any legal purposes. In case of any ambiguity or doubts, users are advised to verify/check with the appropriate Government Functionary/Authority and/or other source(s) and to obtain appropriate professional advice. This Report is based on voluntary uploading of data by the Districts in a reference year. The responsibility for the accuracy of the data filled in the portal rests with the concerned District Education Officer at the district level and the State Project Director (SPD) of Samagra Shiksha at the State level. For newly formed districts, the NAS scores are taken as the same of the old district from which the district is created. However, if the district is created from two or more districts then average score of those districts is calculated. .For districts viz., Darjeeling and Kalimpong in West Bengal, Mumbai-II in Maharashtra, Ariyalur, Krishnagiri and Tiruppur in Tamil Nadu, NAS 2017 district level data are not available. As a result, the district scores are calculated based on the remaining indicators and hence the score obtained by these Districts may not reflect true picture. The Ministry of Education, therefore, assumes no responsibility or liability for any errors or omissions in the data reported by the districts and used in the document.

Performance Grading Index (PGI) for Districts (PGI-D) of India

1. Introduction:

1.1 Performance Grading Index (PGI) is a relatively new index that measures the performance of states in school education. Department of School Education & Literacy (DoSEL) has so far released PGI report for States/ UTs for the years 2017-18 to 2019-20. PGI aims to assess the relative performance of all the State/UTs in a uniform scale to encourage State/UTs to perform better. The PGI has been conceptualized as a tool to catalyse transformational change in the field of school education. PGI provides insights on the status of school education in States & UTs, including key levels that drive their performance and critical areas of performance. PGI aims to propel States & UTs towards undertaking multi-pronged interventions that will bring about the much desired optimal education outcomes. The PGI also motivates States and UTs to adopt best practices followed by the top performing States.

1.2 Based on the success of State PGI and to provide district level measures for effective assessments of educational attainment, DoSEL decided to extend PGI exercise to District level by creating a new PGI for District (PGI-D). The PGI-D is crafted with more focused objective of assessing districts on a common parameter with attention now shifting towards outcome measurement of educational policies.

1.3 In the last two years, Covid-19 pandemic has highlighted the changes required to be made in our existing system in terms of the adoption of digital learning as part of mainstream learning to continue education at home in face of any such crisis. This necessitated need for a domain on digital learning in PGI-D which is not there in State PGI. Similarly, a new category on effective classroom transaction has been included to understand the potential of learning management and activities that translates into outcomes. PGI-D also aims to provide insights into the status of school education in all the Districts, including key levels that drive their performance in critical areas and to catalyze transformational change in the field of school education. It will help all the stakeholders in the school education system, including the students, parents, teachers, and administrators to know the performance of their district vis-à-vis other districts. The indicator-wise PGI-D score shows the areas where a State needs to improve. PGI-D is expected to help the state education departments to identify the gaps if any, at the district level and improve their performance in a decentralized manner. The PGI-D would propel the States to strengthen data monitoring system at the district level.

2. Data Source

2.1 PGI-D is constructed based on identified indicators and domains. The data for PGI-D drawn from several sources, viz., Unified District Information System for Education Plus (UDISE +), National Achievement Survey (NAS) 2017 and data provided by respective Districts.

2.2. The district wise data for the indicators related to minimum proficiency (Proficient and Advanced) of Class 3, Class 5 and Class 8 are provided by National Council for Education Research & Training (NCERT) from NAS 2017. For the Class 10, district wise proficiency data were not available. However, district wise data on distribution of students who answered NAS questions correctly are available. The rank correlation of proficiency data and data of students who answered NAS question correctly were computed for class 3, 5 & 8 and found highly corrected with rank correlation of above 0.95 and insignificant P value (i.e < 0.05) (Annexure-4) implying proposed alternate data is highly capable of capturing proficiency of students. Accordingly, for the indicators on minimum proficiency in Class 10, data on distribution of students who answered NAS questions correctly (50% or more) are taken. Further, in some of the districts NAS for Class 10 was not held (all districts of West Bengal, and Uttar Pradesh etc) and class 8 proficiency score of the respective subject is substituted while arriving PGI-D.

2.3 UDISE + data were pre-filled in PGI –D portal and State/ district entered data of about 55 indicators from their MIS. The final PGI-D score for 2018-19 and 2019-20 are computed based on the final figures reflected in PGI portal.

3. Methodology:

3.1 The architecture of the PGI-D emanates from the rationale that an efficient, inclusive and equitable school education system is contingent upon the regular monitoring of interconnected matrices of inputs, outputs and outcomes related to school education indicators, and the development of a quick response system for course correction in the entire system.

3.2 The PGI-D structure comprises of total weightage of 600 points across 83 indicators, which are grouped under 6 categories viz., Outcomes, Effective Classroom Transaction, Infrastructure Facilities & Student’s Entitlements, School Safety & Child Protection, Digital Learning and Governance Process. These categories are further divided into 12 domains, viz., Learning Outcomes and Quality (LO), Access Outcomes (AO), Teacher Availability and Professional Development Outcomes (TAPDO), Learning Management (LM), Learning Enrichment Activities (LEA), Infrastructure, Facilities, Student Entitlements (IF&SE), School Safety and Child Protection (SS&CP), Digital Learning (DL), Funds convergence and utilization (FCV), Enhancing CRCs Performance (CRCP), Attendance Monitoring Systems (AMS) and School Leadership Development (SLD). Following the same approach of State PGI, districts are graded. Ranking approach is not followed to discourage the practice of one improving only at the cost of others, “thereby casting a stigma of underperformance on the latter”. Ultimate objective of PGI-D is to help the Districts to priorities areas for intervention in school education and thus improve to reach the highest grade.

3.3 The category and domain wise summary of Indicators and its weightage in their performance in overall PGI-D index is presented below:

Categories	Domain	Indicators	Score
1. Outcomes	Learning Outcomes& Quality (LOQ)	12	180
	Access Outcomes (AO)	7	70
	Teacher Availability & Professional Development Outcome(TAPDO)	6	40
2.Effective Classroom Transaction (ECT)	Learning Management (LM)	9	60
	Learning Enrichment Activities (LEA)	15	30
3 Infrastructure, Facilities, Student Entitlements (IF & SE)		12	51
4. School Safety and Child Protection (SS &CP)		7	35
5 Digital Learning (DL)		5	50
6 Governance Processes (GP)	Funds convergence and utilisation (FCV)	2	14
	Enhancing CRCs Performance (CRCP)	2	20
	Attendance Monitoring Systems (AMS)	4	40
	School Leadership Development (SLD)	2	10
Grand total	12	83	600

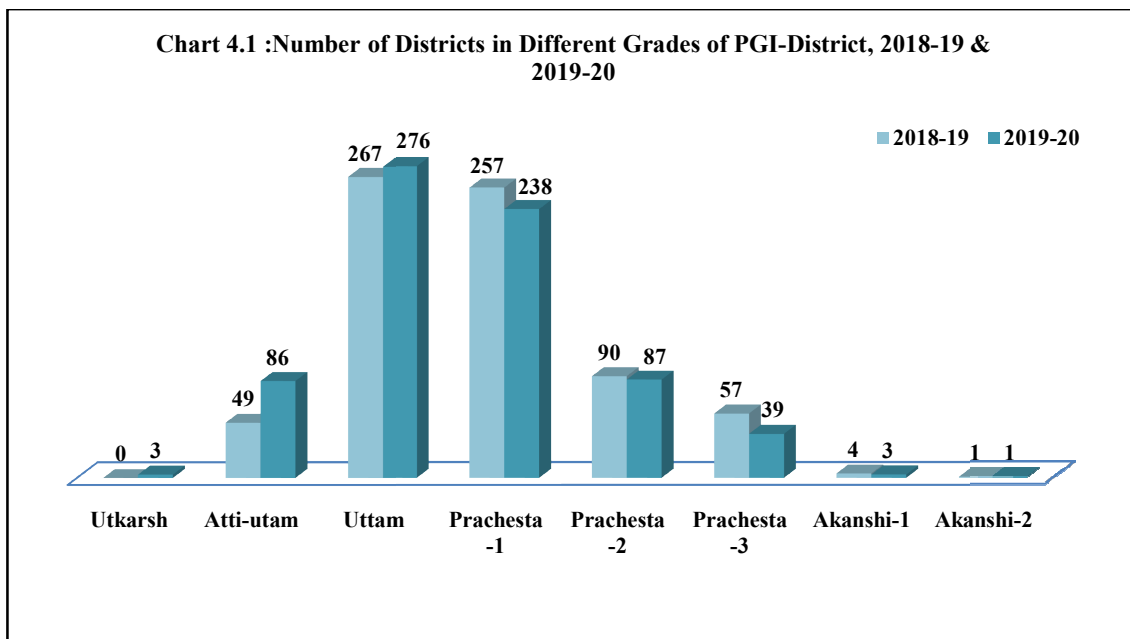

3.4 The points assigned to indicators ranges from 2 to 20, whereas points assigned to each Domain ranges from 10 to 180. While structuring PGI-D weightage, qualitative indicators viz., Learning Outcomes & Quality (LOQ), Access Outcomes (AO), Teacher Availability & Professional Development Outcome (TAPDO), Learning Management (LM), Learning Enrichment Activities (LEA) put together have a weight of 380 point or 63 % weightage. Therefore, PGI-D is expected to measure district level school performance more closely. The details of indicators/ sub-indicators and their respective weight are at **Annexure-3**. This benchmark/optimum level for each indicator has been carefully identified and the DoSEL has ensured that these are reasonable.

3.5 The score of each indicator is arrived by multiplying proportionate score of the indicator with weightage of that indicator. For example, for the indicator proficiency in Mathematics in grade 5, total weight was 20 and if a given district has 50 % students of grade 5 who achieved minimum proficiency in Mathematics, then score obtained for this indicator is $20 \times 0.5 = 10$. However, in case of a few Indicators, a lower value would score a higher weightage, e.g. the Outcome indicator, viz., percentage of Government school teachers in the district who have been assigned non-school duties pertaining to Departments other than Elections and Population Census (Government Schools). In this case, districts assigned maximum non-teaching duties other than Elections and Population Census to teachers will get minimum marks whereas district which has not assigned any non-teaching duties other than Elections and Population Census to teachers will get full marks.

3.6. In PGI-D, the nomenclature for PGI scores is classified into various grades. Highest achievable Grade in PGI-D is **Daksh**, which is for Districts scoring more than 90% of the total points in that category or overall. The category/ overall scores are then reduced by an equal width of 10 % of total points of in that category or overall points for arriving to the next Grade. For example, **Utkarsh** is for the district having PGI score of 81% to 90%, **Ati-uttam**: 71% to 80%, **Uttam**: 61% to 70%, **Prachesta-1**:51% to 60%, **Prachesta -2**: 41% to 50%, Prachesta-3: 31% to 40%, **Akanshi-1**:21% to 30%, **Akanshi-2**: 11% to 20%. The last one, namely **Akanshi-3** is for scores upto10%. Thus, position of a district in different grading categories is relative and can change depending upon its performance in each year. At the same time, all districts can occupy the highest Grade **Daksh** simultaneously, and that is the ultimate objective of this exercise. The PGI-D 2018-19 comprises of 725 districts where as PGI-D 2019-20 consist of 733 districts. This is due to creation of 8 new districts during 2019-20 viz., 4 in Delhi (South West B, North West B, West B, and South East), 3 in Arunachal Pradesh (Lepa Rada, Pakke Kessang, Shi Yomi) and one in Madhya Pradesh (Niwari).

4. Summary of PGI-D:

4.1 The Grades attained by Districts in PGI-D 2018-19 and 2019-20 are in Chart 4.1. None of the districts attained highest grade **Daksh** in both 2019-20 and 2018-19 implying there is ample scope for the districts to further improve their performance in future years. Three districts reached Utkarsh grade in 2019-20 by achieving more than 80% of scores, there was none in 2018-19 in this grade. Furthermore, Number of districts in Ati-uttam grade has increased from 49 to 86 during 2018-19 to 2019-20 showing remarkable improvements.

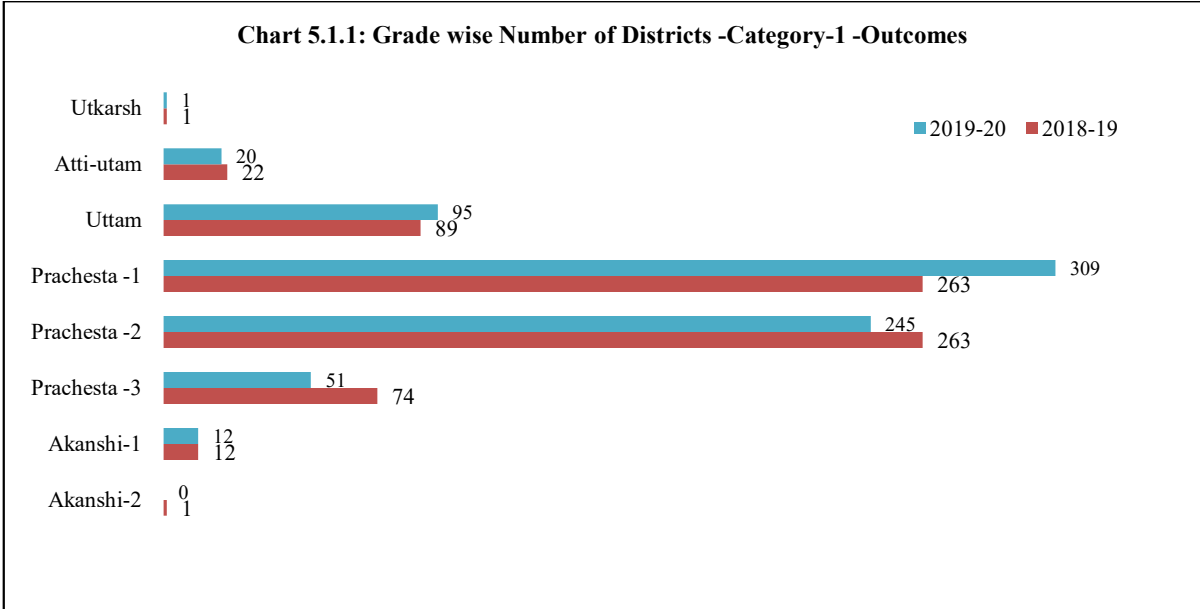

4.2 **Improvements in 2019-20 as compared to 2018-19:** A major purpose of the PGI is creation of an environment that would nudge each district to improve its performance

continuously. Overall 8 districts have improved their PGI score by more than 20 % or upward shift of two grades in 2019-20 over 2018-19. Similarly, 14 districts improved their PGI score by more than 10 % resulting into grade level improvement in 2019-20. Another 423 districts made less than 10 % improvement in PGI scores but remained in the same grade in 2019-20.

4.3 The details of overall as well as category wise PGI-D scores for 2019-20 and 2018-19 by District and State are given at **Annexure-1 & Annexure-2** respectively.

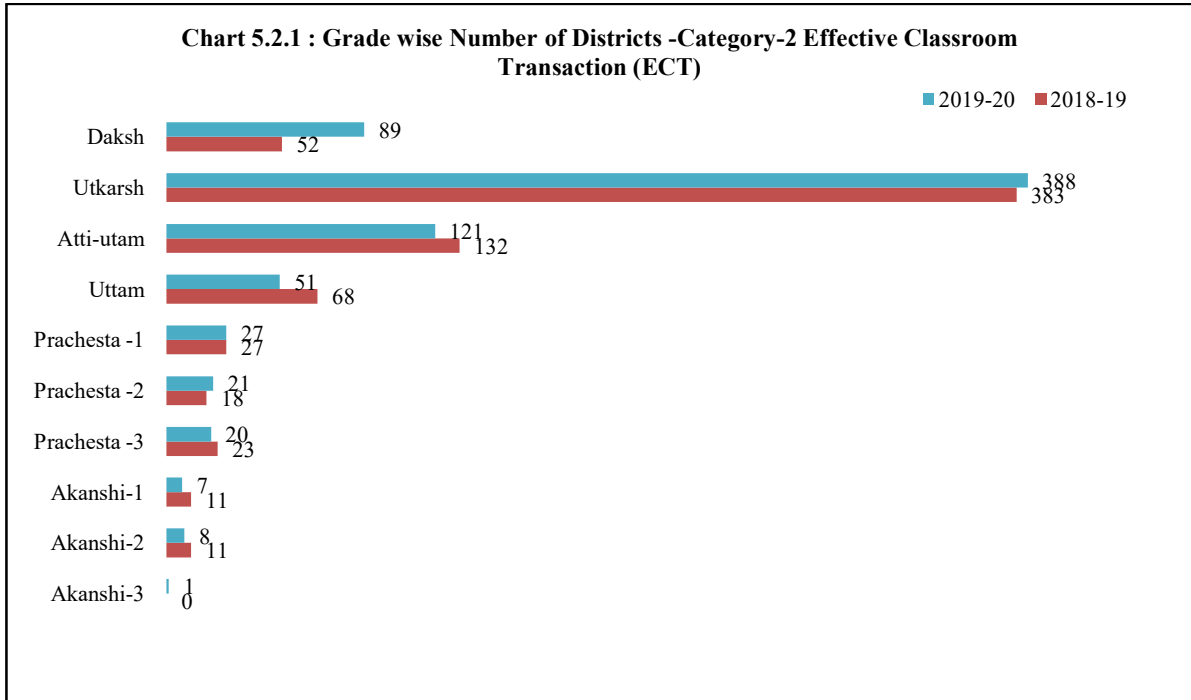

5. **Category/ Domain wise PGI district score card:** The PGI-D scores are the aggregate score of 6 categories of educational attainment of districts viz., Outcomes, Effective Classroom Interactions, Infrastructure Facilities & Student’s Entitlements, School Safety & Child Protection, Digital Learning and Governance Process. The performance of districts in each of these categories is presented in this section. The domain wise/ category analysis brings out areas of good practices and weak links among districts providing insights into future action plan.

5.1 Chart 5.1.1 depicts performance of districts in the 1st **Category- Outcomes** which carries 290 points or 48% of total points and measures progress of districts in qualitative terms during 2018-19 & 2019-20. In this category, only one district made substantial improvement over 20%, 8 districts improved their score by over 10 %. One district attained highest grade of “Utkarsh” in 2019-20. Another 333 districts also improved their score in outcomes but there is no grade level improvement.

5.2 The Chart 5.2.1 shows the performance of districts in various grades in the 2nd **category- Effective Classroom Transactions** during 2018-19 and 2019-20. Overall 510 districts made improvement in scores in the category- Effective Classroom Transactions, of which 18

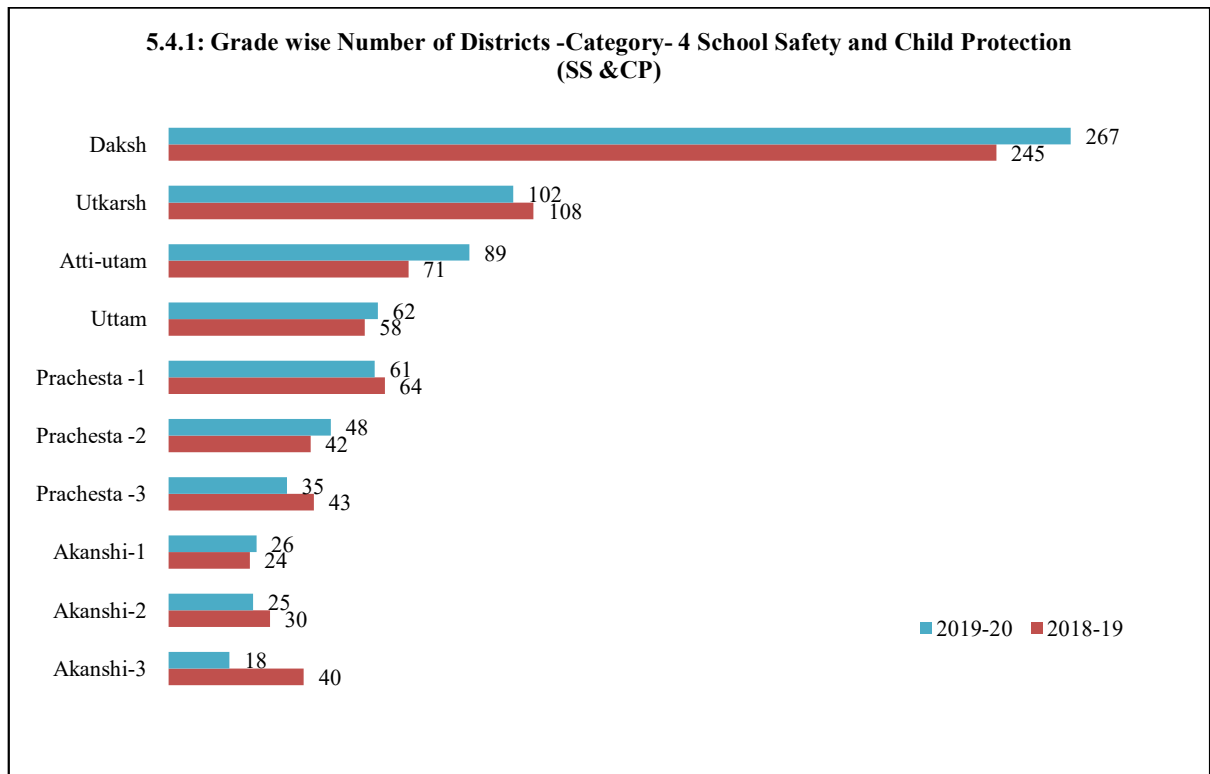

districts made more than 20 % improvement in scores and 29 districts improved their score by over 10 % resulting into grade level improvement in 2019-20 as compare to 2018-19.

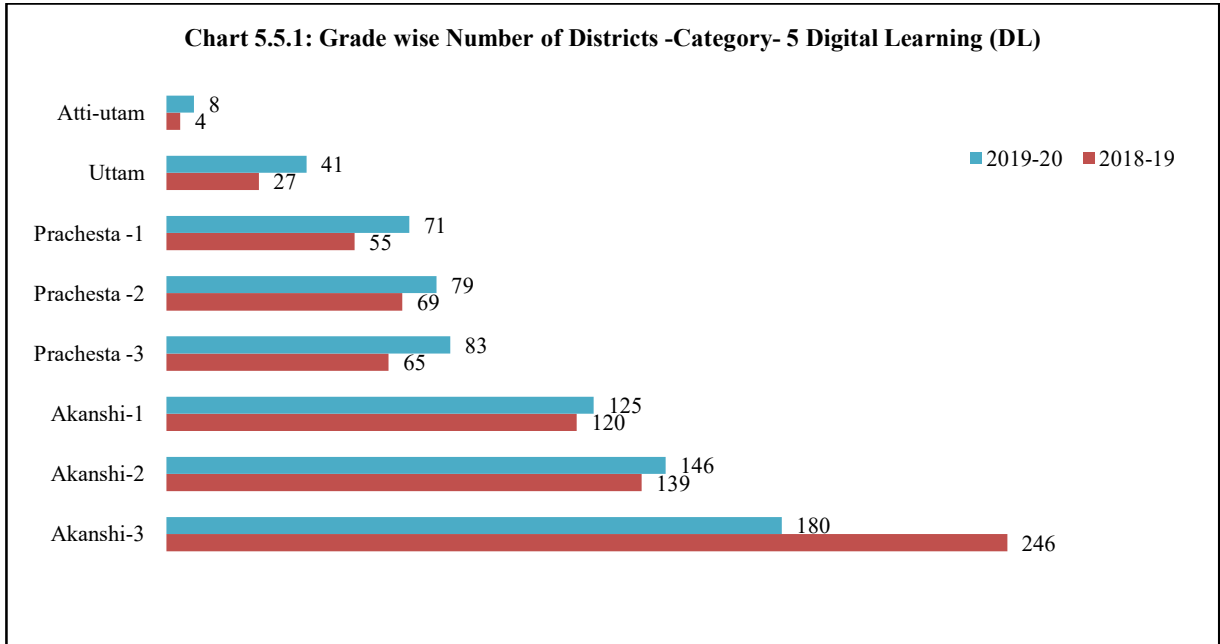

5.3 Chart 5.3.1 depicts the attainment of districts in **3rd category- Infrastructure, Facilities, Student Entitlements (IF & SE)** along with scores during 2018-19 and 2019-20. Under this category, overall 478 districts made improvement in score during 2019-20 as compared to 2018-19. Out of these 478, 37 districts made over 20 % improvement in score and 115 districts made an improvement of over 10 % implying Grade level improvement.

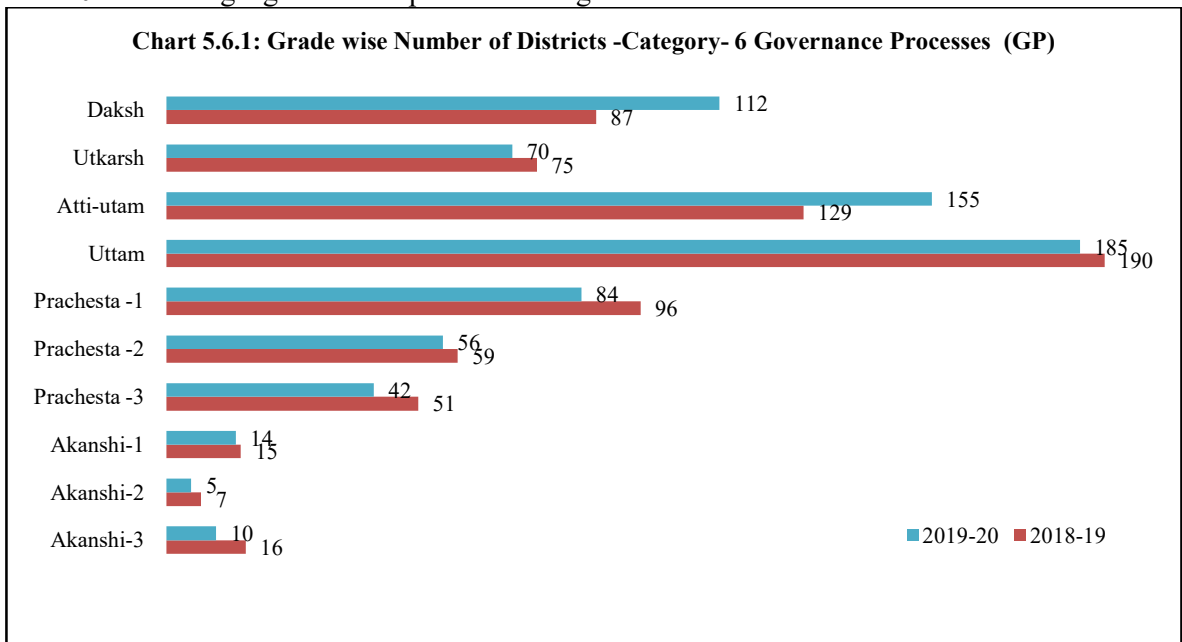

5.4 Chart 5.4.1 present grade wise number of districts in the **4th category- School Safety and Child Protection (SS &CP)** along with scores in 2018-19 and 2019-20. In this category, 50 districts made score improvement of over 20 % in 2019-20 as compared to 2018-19, another 75 districts made more than 10 % improvement in score resulting into grade level improvement.

5. 5.The Chart5.5.1 represents the details of districts in various grades in the **5th category- Digital Learning (DL)** along with scores in 2018-19 and 2019-20.Under Digital Learning category, 20 districts have shown over 20 % improvement in score and 43 districts shown improvement of over 10 % in score during 2019-20 as compared to 2018-19 resulting into grade level progress.

5.6 The Chart 5.6.1 indicates the details of districts in **6th category- Governance Processes (GP)** along with grade scores in 2018-19 and 2019-20. In this category, 43 districts made over 20 % improvements in score and another 60 districts improved their category score by over 10 % showing significant improvement in grade level.

The district wise score for all the 6 categories of PGI-D for 2019-20- Annexure-1

List of Indicators along with points used for PGI-D 2018-19 and 2019-20

Sl. No.	Category /Domain	Indicator	Data Source	Weight
	1	Category 1 - Outcomes		290
	1.1	Domain - Learning Outcomes (LO)		
1	1.1.1	% of children in Grade 3 who have achieved minimum proficiency in literacy – Govt. and aided schools	NAS	20
2	1.1.2	% of children in Grade 3 who have achieved minimum proficiency in numeracy – Govt. and aided schools	NAS	20
3	1.1.3	% of children in Grade 5 who have achieved Grade level proficiency in literacy – Govt. and aided schools	NAS	20
4	1.1.4	% of children in Grade 5 who have achieved Grade level proficiency in numeracy – Govt. and aided schools	NAS	20
5	1.1.5	% of children in Grade 8 who have achieved Grade level proficiency in literacy – Govt. and aided schools	NAS	15
6	1.1.6	% of children in Grade 8 who have achieved Grade level proficiency in numeracy – Govt. and aided schools	NAS	15
7	1.1.7	% of children in Grade 8 who have achieved Grade level proficiency in Science – Govt. and aided schools	NAS	15
8	1.1.8	% of children in Grade 8 who have achieved Grade level proficiency in Social Science – Govt. and aided schools	NAS	15
9	1.1.9	% of children in Grade 10 who have achieved Grade level proficiency in Modern Indian Language (MIL) – Govt. and aided schools	NAS	10
10	1.1.10	% of children in Grade 10 who have achieved Grade level proficiency in numeracy – Govt. and aided schools	NAS	10
11	1.1.11	% of children in Grade 10 who have achieved Grade level proficiency in Science – Govt. and aided schools	NAS	10
12	1.1.12	% of children in Grade 10 who have achieved Grade level proficiency in Social Science – Govt. and aided schools	NAS	10
	1.2	Domain - Access Outcomes (AO)		
13	1.2.1	% of children in Grade 1 who have attended at least one year of pre-primary schooling	To Be Filled	20
14	1.2.2	% of identified out-of- school children mainstreamed in last completed academic year in the district	To Be Filled	10
		Transition Rate from :		
15	1.2.3	1. Primary to Upper Primary (Class 5 to Class 6)	To Be Filled	5
16	1.2.4	2. Upper Primary to Secondary (Class 8 to Class 9)	To Be Filled	5
17	1.2.5	Retention Rate till Elementary Level (New enrollment in Class 8 in year t+7 / Enrollment in Class 1 in year t)	To Be Filled	10
		Retention Rate till Secondary Level (New enrollment in Class 10 of year t+9 / Enrollment in Class 1 in year t):	To Be Filled	

Sl. No.	Category /Domain	Indicator	Data Source	Weight
18	1.2.6	1. Retention Rate of Boys at secondary level	To Be Filled	10
19	1.2.7	2. Retention Rate of Girls at Secondary level	To Be Filled	10
	1.3	Domain - Teacher Availability and Professional Development Outcomes (TAPDO)		
20	1.3.1	% of Government school teachers in the district who have been assigned non-school duties pertaining to Departments other than Elections and Population Census	To Be Filled	5
21	1.3.2	% of teachers trained on learning outcome based approaches to teaching and learning	To Be Filled	10
22	1.3.3	% of schools (with primary classes) having a teacher trained on foundational learning	To Be Filled	5
23	1.3.4	% of Primary Schools complying with RTE specified Pupil Teacher Ratio (PTR)	To Be Filled	5
24	1.3.5	% of Upper Primary Schools complying with RTE specified PTR	To Be Filled	5
25	1.3.6	% of schools that have received at least two visits per month by CRC for academic support	To Be Filled	10
	2	Category 2 - Classroom Transactions		90
	2.1	Domain - Learning Management (LM)		
26	2.1.1	% of schools conducting regular formative assessments to measure achievement of Learning Outcomes (Formative Formative assessment and CCE strategies would include class tests, project-based assignments, class-based group work, quizzes, individual and group presentations, participation in various school-based/class-based contests/activities, self and peer assessment, etc)	To Be Filled	10
27	2.1.2	Periodicity of such formative assessments - quarterly/ bimonthly/ monthly/ fortnightly/ weekly	To Be Filled	5
28	2.1.3	% of teachers trained on Continuous and Comprehensive Evaluation(CCE) and Classroom Based Assessment	To Be Filled	10
29	2.1.4	% of schools, where parents have been made aware of learning levels (including CCE and classroom-based assessments) through Parent-Teacher Meeting, Letters, discussion forums, etc. (The organization of parent teacher meetings would need to be clearly recorded in the register(s) maintained by the School Management Committee (SMC))	To Be Filled	10
30	2.1.5	% of schools for which school, class and student wise learning outcome data is available on an online portal/ MIS and/or physically displayed on school walls/ notice board	To Be Filled	5
31	2.1.6	% of students of Class 5 to 10 who are aware of Learning Outcomes (LO) to be achieved in all subjects in the grade where the student is currently studying (Dissemination of information on grade level learning outcomes could be achieved through the development of colorful print materials (booklets, posters, infographics etc.) developed in the local language by SCERTs, and shared with each school)	To Be Filled	5

Sl. No.	Category /Domain	Indicator	Data Source	Weight
32	2.1.7	% of schools that utilise supplementary learning material in classroom transactions (Supplementary learning material, or any non-prescribes learning material used for enhancing the learning experience can range from workbooks, worksheets, online resources, short stories and anecdotes, cartoons, comics and caricatures, even simple newspaper articles, television programmes and films, podcasts, rap songs, concepts set to music, etc.)	To Be Filled	5
33	2.1.8	% of schools that have full access to and are utilising Teaching Resources provided by the SCERT/ DIETs (Teaching Resources such as Online resources for pedagogical needs, teacher manuals, suggestive lesson plans, suggestive experiential activities, curriculum mapped with learning outcomes, slides, concept maps, etc. that can be used by the teacher to assist the learner to meet the expectations of achieving proficiency in the learning outcomes)	To Be Filled	5
34	2.1.9	% of Government and Government aided schools Providing Holistic Report Card for every learner based on peer/ self/ teacher assessment (The holistic report card is a 360-degree, multidimensional report that reflects in great detail the progress as well as the uniqueness of each learner in the cognitive, affective, and psychomotor domains. It includes teacher, self and peer assessment, and progress of the child in project-based and inquiry-based learning, quizzes, role plays, group work, portfolios, etc)	To Be Filled	5
	2.2	Domain - Learning Enrichment Activities (LEA)		
		% of schools (Govt and aided) participated in the following national flagship programmes		
		Swachh Bharat and Jal Suraksha (% of schools with)		
35	2.2.1	Functional Girl's Toilet	UDISE+	2
36	2.2.2	Functional Boys' Toilet	UDISE+	2
37	2.2.3	CWSN friendly toilet	UDISE+	2
38	2.2.4	Clean and potable drinking water facility	UDISE+	2
39	2.2.5	Hand wash area/s	UDISE+	2
40	2.2.6	Rainwater harvesting structures in school	UDISE+	2
		FIT India (% of schools having)		
41	2.2.7	At least one sports period per class per day	To Be Filled	2
42	2.2.8	Playground	UDISE+	2
43	2.2.9	Sports equipment	To Be Filled	2
44	2.2.10	Annual sports day	To Be Filled	2
45	2.2.11	Certified as Fit India School	To Be Filled	2
46	2.2.12	Entry of Annual fitness record of every child on Fit India App	To Be Filled	2
		Ek Bharat Shresth Bharat (% of schools)		
47	2.2.13	Conducted at least 1 activity from the enlisted activities at school level	To Be Filled	2

Sl. No.	Category /Domain	Indicator	Data Source	Weight
48	2.2.14	Participated in at least one activity conducted at State level, from amongst enlisted activities	To Be Filled	2
		Nagrik Kartavya Palan Abhiyan/ Constitution Day (% of schools where)		
49	2.2.15	All learners in the school have participated in one or the other age-appropriate activity related to Citizens' fundamental duties as laid down in the Constitution of India	To Be Filled	2
	3	Category 3 - Infrastructure, Facilities, Student Entitlements		51
50	3.1	% of Elementary Level students getting Free Textbooks within two weeks of start of academic year	To Be Filled	10
51	3.2	% of Elementary Level students getting Uniforms within one month of the start of academic year	To Be Filled	5
52	3.3	% of entitled CWSN who have received aids and appliances (Govt. and aided schools)	To Be Filled	5
53	3.4	% of Girls of Upper Primary/Secondary/ Higher Secondary grades who received special incentives (e.g., scholarships, bicycles, etc.) (Govt. and aided schools)	To Be Filled	5
		% of Schools with		
54	3.5	1. Library and/ or Reading Corner	UDISE+	4
55	3.6	2. Ramp with railing	UDISE+	4
56	3.7	3. Science laboratory	UDISE+	4
57	3.8	4. Kitchen Garden	UDISE+	4
		% of funds utilised by schools under the following grants		
58	3.9	1. Library books	To Be Filled	4
59	3.10	2. Sports equipment	To Be Filled	2
60	3.11	3. Activities under composite school grant	To Be Filled	2
61	3.12	4. Eco and Youth Club	To Be Filled	2
	4	Category 4 - School Safety and Child Protection		35
62	4.1	% of Schools that have a qualified Child Counselor/ Psychologist or Teachers who have undergone training to be designated as First level Counselor	To Be Filled	5
63	4.2	% of schools that have taken up awareness & sensitization programme for teachers, staff, parents and students on Protection of Children from Sexual Offences (POCSO) Act and associated NCPCR/ SCPCR guidelines (the programme would need to include standardised training for teachers and staff, orientation workshops for parents and completion of sensitisation classes for children on safe (good) and unsafe (bad) touch)	To Be Filled	5
64	4.3	% of school principals, head teachers, nodal teacher trained on disaster management and school safety	To Be Filled	5
65	4.4	% of Schools conducting regular health check-up and maintaining health card of students	To Be Filled	5

Sl. No.	Category /Domain	Indicator	Data Source	Weight
66	4.5	% of girls of Upper Primary/Secondary/ Higher Secondary grades who are being given self defence training	To Be Filled	5
67	4.6	% of Schools that have prepared School Disaster Management Plan and prominently displayed the evacuation plan in all classrooms	To Be Filled	5
68	4.7	% of Schools that undertake mock drills for implementing School Disaster Management Plan, at least twice a year	To Be Filled	5
	5	Category 5 - Digital Learning		50
69	5.1	% of Schools with internet facility for pedagogical purposes	UDISE+	10
70	5.2	% of schools with computer/ laptop used for pedagogical purposes	UDISE+	10
71	5.3	% of schools having computer-assisted teaching learning facility (e.g. smart classrooms)	UDISE+	10
72	5.4	Student-to-Computer Ratio (computers used for pedagogical purposes will only be considered here)	UDISE+	10
73	5.5	% of teachers trained in use of computer and teaching through computer	UDISE+	10
	6	Category 6 - Governance Processes		84
74	6.1	% of Samagra Siksha Funds utilised (against funds released to the school) during the financial year	To Be Filled	10
75	6.2	% of schools that have converged resources available from Mineral Fund, and from schemes of other Departments (e.g. Panchayati Raj, Rural Development, Sports etc.) for the improvement of school and for better learning outcomes	To Be Filled	4
		Enhancing Cluster Resource Coordinators (CRCs) performance:		
76	6.3	a. % of CRCs provided with in-service professional development training during the financial year (training packages for CRCs to cover developmental issues at primary level, and content related hard spots at upper primary level)	To Be Filled	10
77	6.4	b. % of CRCs who have submitted bimonthly inspection reports	To Be Filled	10
		Attendance monitoring systems		
78	6.5	a. % of schools with digital attendance system to monitor teacher attendance	To Be Filled	10
79	6.6	b. % of schools with digital attendance system to monitor student attendance	To Be Filled	10
80	6.7	Average annual attendance of students (total attendance of students / (total teaching days * total enrolment)	To Be Filled	10
81	6.8	Average annual attendance of teachers (total attendance of teachers / ((total teaching+non-teaching days) * total number of teachers)	To Be Filled	10
		School Leadership development		
82	6.9	a. % of schools with head teacher or principal	To Be Filled	5
83	6.10	b. % of school principals and head teachers provided with in-service professional development (training) during the financial year	To Be Filled	5
		Total		600

Rank correlation (ρ) and p values of Class wise / subject wise proficiency as per NAS 2017 for identifying proxy indicator in the absence of main indicator-

Rank correlation of students in a class in which students found proficient (a) and students who answered more than 50 % questions correctly (b)	$\rho_{(a,b)}$	p-value	Result
C ₃ language	0.96	0.01	Since the P value is less than 0.05, indicating that there is no significant difference between the students in a class in which students found proficient and students who answered more than 50 % questions correctly.
C ₃ Mathematics	0.96	0.01	
C ₅ language	0.97	0.01	
C ₅ Mathematics	0.98	0.01	
C ₈ language	0.96	0.01	
C ₈ Mathematics	0.99	0.01	
C ₈ Science	0.99	0.01	
C ₈ SST	0.99	0.01
